Office Note.

In letter No.3089/369-89 dated 30th June 1900 regarding the contribution payable on account of Mr.McHut-chin, the First Assistant Resident made certain remarks as to the report to be made to the Resident in respect of the contribution payable on account of Officers lent to the Mysore State.

The letter was transferred to the P.W. Secretary, but a copy was retained in this Office and the action that had to be taken by the General Secretariat was taken, that is to say:-

(1) an order No.1407-11/Mis.294 dated 28th July 1900 was issued to the Comptroller to the effect that a report should be submitted to this Office as to the arrangements made for paying the contribution on behalf of every Officer lent to the Mysore State, by the 10th of the month following that in which the transfer takes effect.

(2) the Secretaries to Government were informed by Order No.1412-16 Mis. 295 dated 28th July 1900 that general administrative questions referred by the Residency to the Dewan should be left to be dealt with by the General Secretary.

The original letter from the Residency, which was ordered by the Dewan to be transferred from the P.W. to the General Secretariat, has now been received together with the P.W. File on the subject. In his Note dated 9th July 1900 submitted to the Dewan, the Secretary P.W. Department has given his reasons as to why he wrote his letter No. 383/2423 d: 14/6/00 to the Residency, to which exception has now been taken. It is however stated in the Residency letter now under disposal that the ~~information~~ report asked for is for the Resident's own information; so, and not because the C.S. Regn. require it; it seems unnecessary to communicate to the Residency the reasons given by the Secretary P.W.D.

A draft is submitted reporting to the Residency the action taken upon their letter No.3089/369-89 dated 30th June 1900.

FROM

THE FIRST ASSISTANT to the RESIDENT

in MYSORE.

To

THE DEWAN OF MYSORE.

Dated Bangalore, 30th June 1900.

Sir,

I am directed to invite reference to my letter marginally noted, conveying the sanction of the Government of India to the increase proposed to the pay of Mr. McHutchin. It was requested that Mr. McHutchin's attention should be drawn to the instructions contained in articles 826-834 of the Civil Service Regulations, and that his compliance therewith should be reported to this office.

No.2377 dated the 19th May 1900.

2. A reply to the above reference has been received from the Secretary to the Government of Mysore in the Public Works Department, in which the attention of the Resident is drawn to a previous communication from that Department wherein it was reported that contributions in the case of British Officers lent to the Mysore State, are paid by the State, and not by officers themselves, under the orders of the Government of India quoted in the "Note" to article 826 of the Civil Service Regulations. Of this ruling the Resident was aware; but he considers it necessary that he should have some means of satisfying himself that the instructions contained in articles 826-834 of the Civil Service Regulations have been complied with, inview especially of the fact that in the case of Lieutenant Colonel Benson, which has recently been under discussion, the instructions issued by the Government of India with regard to that Officer's contribution were not complied with, and that the Resident was left for nearly two years in ignorance of this fact. In these circumstances the Resident will be obliged if the Darbar will be good enough to report in this and in every similar case, say on the 15th of the

No.383/2423 dated 14th June 1900.

3

1st month after the Government of India's orders as to the rate of salary or contribution should take effect, whether contribution has been paid by the State as required.

3. In conclusion I am directed by Colonel Robertson to point out that it is inconvenient that the Public Works Department or the Darbar should take upon itself the obligation of replying to letters involving general administrative questions addressed to you.
